~Halal certificated smart and eco-friendly factory~  
**The New plant at AJINOMOTO(MALAYSIA)BERHAD**  
Opened in Dec.2022

AJINOMOTO(MALAYSIA) BERHAD (“AMB”) is one of the first Japanese companies which started its business in Malaysia. AMB celebrated its 60th anniversary with the completion of a new plant in 2022.

The new plant is a “smart factory”. Advanced technology that optimized operations through automation and digitalization are incorporated to improve efficiency and productivity. It is also designed to provide employees a conducive and work-friendly environment. It is equipped with the latest wastewater treatment facilities and solar power generation equipment, and has received Green Building certification in Malaysia.

In addition, like the former plant, it has acquired the “White List” recognition, which is the highest level of halal certification from JAKIM\*. and will strengthen exports from Malaysia to global Halal market, where demand is expected to increase further in the near future.

\* Abbreviation for Department of Islamic Development Malaysia, the halal certification body of Malaysia

Please watch the video of the introduction of the new plant, which has started operation smoothly, by local staff members.
